Similar campaigns were undertaken whenever natural calamities struck the region.

(d) Earthquake in Kashmir: As usual, this year too, Bihar Anjuman collected, and supplied, 200 blankets through the Pakistani embassy. We also collected more than Rs. 200,000 (Rs. two lakhs) for sending to both sides (India as well as Pakistan) through Al Khidma for Pakistan, and through Jamiat Ulama-e-Hind for Indian part of Kashmir.

Why we must rush to do our bit? Whatever has been done, is just a beginning, and there is a lot to do within the limited time that has been allotted to us by Allah. Who can guarantee that he or she would live tomorrow? Therefore, we have to try our best to do whatever we can, **today**. We just can't postpone things for the morrow. In Bihar Anjuman, you have a fair chance to things you like doing. Lend your HAND, and turn your dream into reality!

Better Light a Candle than Curse the Darkness
