

RAHBAR Technical Training Centre, Shahpur Baghauni, Samastipur

Location: Madrasa Islamia, Shahpur Baghauni, Block: Tajpur, PS: Waini (Pusa Road), District: Samastipur, Bihar.

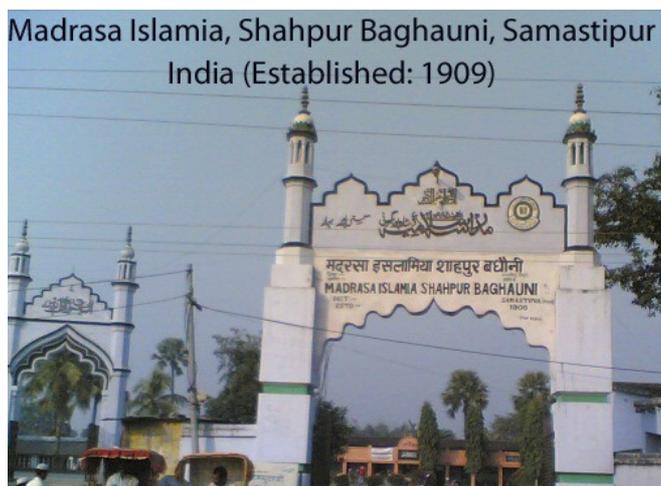

This location is surrounded by dense Muslim population all around. Tajpur is a block with largest percentage of Muslims in Samastipur district, listed as a minority-concentration block by the govt.

Distance from Major cities:

- Patna: 85km,
- Muzaffarpur: 56km
- Samastipur: 14km,
- Pusa Road (railway station): 2 km,
- Tajpur (National Highway #28): 2km.

Objective: Bring early employment opportunities to those who cannot afford engineering education of Diploma or Degree levels.

Updates of the project: NOC from Government of Bihar has been received on 19th February, 2011. Find all updates @ <http://iti.biharanjuman.org/>

Email: ITI@biharanjuman.org.

Trades in ITI (applied): The trades and capacity (intake: number of students permitted) depend on the availability of infrastructure. We have applied for following trades and intakes, in our application:

1. Electrician: 84 seats (4 Units of 21 each),
2. Plumbing: 42 seats (2 Units of 21 each)
3. Draughtsman (Civil): 42 seats (2 Units of 21 each)

Resources required:

1. Space (classrooms and workshops). The space requirement depends on the trades for which training facilities are to be provided. Management of 101 year old Madarsa Islamia, Shahpur Baghauni, Samastipur, has provided **FREE space (as detailed in the table, below)**.

For 3 trades, Space Required as per Govt's guidelines	SI No	Nature of Room/ Workshop/ Laboratory	Area in sq mtr
	1.	Workshops/ Laboratories	650 m ²
	2.	Class Rooms	210 m ²
	3.	Administrative Block, etc.	195 m ²
	4.	Library	60 m ²
5.	Store Rooms	40 m ²	

2. Funds requirement: Estimated Rs. 15 lakhs are required to finance the purchase of equipment required for 3 trades for which NOC is received - to be raised by Bihar Anjuman, and its well-wishers.

3. Staff for ITI operations (Principal, Academic Staff, Trainers, Administrative Staff): all of these requirements would be met by Imarat Sharia, as overall in-charge of operations.

4. Account-keeping: This activity for Bihar Anjuman starts with fund-raising and ends with commencement of operations - proper account book would be maintained for funds raised, and

expenses incurred before operations start - will be shared with all the donors and the group. After operations start, Imarat Sharia would maintain all accounts of the ITI. As per Bihar Anjuman's policies, all account books would remain transparent.

Management of RAHBAR Technical Training Centre (RAHBAR ITI): A tripartite agreement has been reached between the following three parties:

Party-1: RAHBAR, the NGO of Bihar Anjuman (www.rahbar.info, www.myrahbar.org), as the owner of this project, negotiated with all other parties to get mutual agreements sign, will raise funds for equipping the laboratories and workshops of the institute during the establishment stage (that is extent of investment by RAHBAR), monitor its functioning, update all the parties concerned (donors, sponsors, well-wishers), and act as an intermediary between Party-2 and Party-3. They will have 5 members in the governing board of this institute, out of a total of 11 members. The institute would be operated under the registered society of RAHBAR, so all the assets would be either under lease or ownership of RAHBAR. The ownership of RAHBAR Technical Institute would remain jointly with Party-1 and Party-3, and all rights of Party-2 would cease when RAHBAR decides to manage the operations by themselves.

Party-2: Imarat Sharia (<http://www.imaratshariah.org/>) will be the consultant for the project during its implementation, and **will manage the institute's entire operations** from appointment of instructors to selection of students. The govt approval for the ITI is to be obtained by them, in the name of RAHBAR Technical Training Centre, Shahpur Baghauni. They would pay for all the operational and maintenance-related expenses as long as they collect the fees from enrolled students. They will have 3 members in the governing board of this institute, out of a maximum of 11 members. They would guide in expanding the institute by incorporating more areas of training, and would invest the income from fees for this purpose (buying equipment for laboratories and workshops).

Party-3: Local Infrastructure Provider [Madrasa Islamia, Shahpur Baghauni, Block: Tajpur, PS: Waini (Pusa Road), District: Samastipur] will provide, free of cost, the minimum infrastructure required for the RAHBAR ITI, as detailed above. They will have 3 members in the governing board of this institute, out of a total of 11. The land on which infrastructure is provided is dedicated to the RAHBAR ITI only.

Financial Requirements to be met by Bihar Anjuman (funds to be raised):

A. Capital Investment:

a. Establishment Requirements: Rs. 15 lakhs to equip the workshops for the proposed trades. Govt inspectors would visit between 15th April and 20th May, once the workshops and class-rooms, etc. are fully equipped for final inspection.
